

RESOLUTION
of Monetary Policy Committee
of National Bank of Tajikistan

dd. July 27, 2018

No.9

Dushanbe city

With the aim of realize consistent monetary policy and minimizing the internal and external influences, likewise on account of relatively low inflation level, the Monetary Policy Committee of the National Bank of Tajikistan (according to the Minutes of meeting of Monetary Policy Committee of the National Bank of Tajikistan dated July 27, 2018, No. 9)

has made decision:

1. To maintain the refinancing rate unchanged at 14.0 % per annum.
